Scottish Building Contract Committee

Annual Conference

Wednesday 9th November 2016

Scottish National Gallery, The Mound, Edinburgh

www.sbconline.com

The Conference

Event details

This event will provide a definitive guide to the latest developments in building contracts and construction law in Scotland. It is suited to Architects, Engineers, Solicitors, Chartered Surveyors and Contractors in both the private and public sectors.

This year we will feature the construction industry going forward: the challenges and changes the sector faces and how it is responding. The programme also includes invaluable updates on SBCC contracts and legal issues affecting the industry. The outstanding speakers include Len Bunton (SBCC), Ken Gillespie (Galliford Try), Brian Hume (Balfour Beatty), Professor Hector MacQueen (University of Edinburgh), David Philp (UK BIM Task Force), Manus Quigg (Brodiés), Richard Saxon (Chair, JCT), Karyn Watt (Anderson Strathern) and Barry White (Scottish Futures Trust).

We are pleased to advise that we have again been able to hold delegates fees at the same rates as the previous year. The delegate fee includes access to all sessions, lunch and tea/coffee during refreshment breaks.

To secure your place and hear from industry experts about critical changes affecting your industry now and in the future, please complete and return the Delegate Registration Form at the end of this leaflet.

Venue

The Hawthornden Lecture Theatre, the Scottish National Gallery, the Mound, Edinburgh EH2 2EL. The Scottish National Gallery is located in central Edinburgh and fully accessible by all major transport links.

About the Speakers

David Dunbar

Chair, SBCC

David Dunbar is Chair of the Scottish Building Contracts Committee and Chair of Festival of Architecture 2016. David is Managing Director of ADF Architects. He is a Fellow of the Royal Incorporation of Architects in Scotland, a Member of the Royal Institute of British Architects and a Member of the Chartered Institute of Arbitrators. He is President of the Royal Glasgow Institute of the Fine Arts.

He is a former Deputy Convenor of Court at the University of Strathclyde. He is a Past President of the Glasgow Institute of Architects and the Royal Incorporation of Architects in Scotland.

Len Bunton

Past Chair, SBCC

Len Bunton is the immediate past Chair of the Scottish Building Contracts Committee Ltd, and Past Chairman of the Scottish Branch of the Chartered Institute of Arbitrators.

He currently practices as an Arbitrator, Adjudicator, Mediator and an Expert Witness.

Len has extensive experience in the procurement, delivery of and cost management of major projects. He has worked on construction disputes in 9 international countries. He currently presents courses on Arbitration for the Chartered Institute of Arbitrators.

Ken Gillespie

Chief Operating Officer, Galliford Try

Ken Gillespie is Chief Operating Officer at Galliford Try plc. Ken joined the Group in March 2006 on the acquisition of Morrison Construction, where he was then Managing Director. He joined Morrison in 1996 having spent the previous 13 years holding senior positions with George Wimpey.

He is also Chairman and Director of the Scottish Contractors Group, a member of the Construction Scotland Industry Leadership Group and a Fellow of the Royal Incorporation of Chartered Surveyors.

About the Speakers

Brian Hume

Health and Safety Manager, Balfour Beatty Civil Engineering

Brian is a vastly experienced Health and Safety Manager with 39 years' experience in the Construction Industry for Balfour Beatty. He has been involved in Health and Safety for over 35 years. During this period he has been responsible for the provision of a comprehensive health and safety service covering all types of building and civil engineering works. He has experience in commercial and industrial building, refurbishment, house building, civil and marine works etc., and has been involved in construction projects in many environments including power generation, water and sewerage, rail, petrochemical and the nuclear industries.

He is a Fellow of IOSH and is on the IOSH West of Scotland committee. He has also been a member of the Site Safe Scotland Committee.

Professor Hector MacQueen

University of Edinburgh

Professor Hector MacQueen has been a Scottish Law Commissioner since September 2009. He has taught in the Edinburgh Law School since 1979.

He is a Fellow of the British Academy and of the Royal Society of Edinburgh. His main research interests are in the law of obligations (especially contract) and commercial law, legal history, and European private law.

David Philp

Deputy Chair of the Procurement Review

David's enthusiasm lies in highlighting the potential of new technologies and how we interact with them to bring added value to our customers and unlock new ways of working throughout the entire life-cycle. David is passionate about our industry and perceives BIM as being a catalyst for reform.

An early adopter of practical change and purposeful collaboration, he is Global Building Information

Modelling (BIM) and Information Management (Consultancy Director) for AECOM, the global, fully integrated services firm. He is also seconded into the Scottish Future Trust (SFT) as Chair of the BIM Delivery Group and UK BIM Task Group as part of the core team.

He lives in Scotland and his hobbies include photography and collecting air miles. A Fellow of the ICE, RICS and CIOB he has completed the Virtual Design and Construct at Stanford University, CA. and is a Professor at Glasgow Caledonian University.

About the Speakers

Manus Quigg

Partner, Brodies

Manus has been a partner in Brodies' Construction & Engineering Unit for six years. He has been a solicitor for 15 years, having initially qualified and practiced in England. He specialises in construction disputes, working for clients throughout the UK.

Manus sits on the Association for Consultancy & Engineering Committee for Scotland and is a member of the Society of Construction Law, the Adjudication Society and the Chartered Insurance Institute.

Richard Saxon

Chair, JCT

Richard Saxon is chartered as an architect and surveyor and spent 40 years at BDP, the inter-discipline practice, where he rose to become chairman. He has been involved in reform of the construction industry since the Latham Review and was invited to be the first Povey Lecturer by the JCT in 2003.

He chaired the reform group 'Be: collaborating for the Built Environment' and wrote the report 'Be Valuable', published in 2005 by Constructing Excellence.

Richard is a founder and past President of the British Council for Offices, a former vice-president of the RIBA and a board member of the CIC until 2014. He works as a client and business adviser and wrote the report 'Growth through BIM' for BIS in 2013 whilst on the government BIM Steering Group.

He became chair of JCT in March 2015. He was made a CBE in 2001 for services to architecture and construction. His book, BIM for Construction Clients, was published in February 2016 by NBS.

About the Speakers

Karyn Watt

Partner, Anderson Strathern

Karyn is a partner in Anderson Strathern's Corporate group and is head of Infrastructure.

She has over 29 years' construction industry experience and is accredited by the Law Society of Scotland as a specialist in Construction Law. She is a member of Construction Scotland Industry Leadership Group which plays a crucial role in shaping and delivering Scotland's economic ambitions. Karyn is New York bar qualified and is a qualified mediator.

She is on the Board, the Consultative Committee and in the drafting team of the Scottish Building Contracts Committee (SBCC) and also acts for Build UK Limited. She leads major projects on behalf of both local authorities and the private sector, involving complex strategic procurement and project issues. In recognition of her contribution to the industry, Karyn was awarded an Honorary Fellowship of the RIAS in 2013.

Barry White

Chief Executive, Scottish Futures Trust

Barry leads the executive team in delivering its remit of improving value for money in infrastructure investment and asset management in Scotland. Currently heading programmes investing in Scottish infrastructure across road, health, and education projects, SFT is also deploying innovative financing techniques, including TIF (Tax Incremental Finance) and GAM (Growth Accelerator Model), to support economic investment in Scottish cities and wider communities and to deliver new approaches to provide affordable homes. Barry's team leads on the implementation of the 'World Class 2020' programme – Scotland's digital vision as well as collaborating throughout the public sector to ensure that buildings occupied, owned and put on the market are managed effectively.

Barry has more than 20 years infrastructure experience and was previously the Managing Director of the UK arm of a major European infrastructure investor and developer. He also has served in the Army which he joined after graduating in civil engineering from Edinburgh University.

Registration
